Biography:

Nico Swenson is most known as drag artist Miss Texas 1988. Performing, producing, and hosting shows at venues such as Unicorn, Clock-Out Lounge, Queer Bar, and many other Queer and allied bars and venues around the Seattle area. In and out of drag they also bring to life immersive performance art experiences - most recently “Thank you for Coming” at the Bemis Building which was awarded Seattle’s smArt Venture grant

They graduated from the University of Minnesota’s Theater Arts Department in 2014 and began a career of solo performance art focussing on the intersections of gender, capitalism, and the Queer art of Failure.
